Alex Kava

“Twisted plots, shocking characters, breakneck pacing. An Alex Kava novel is guaranteed to keep you up all night, and you’ll be happy about it!”

—Lisa Gardner, author of *Love You More*

“This intense thriller builds to an eye-popping revelation that will leave fans eager for the sequel.”

—*Publishers Weekly*

FBI agent Maggie O’Dell is investigating the deaths of three teenagers electrocuted at a drug-fueled party in Nebraska and their connection to a conspiracy designed to unleash one of the deadliest contemporary threats: biological warfare. As Maggie investigates, it becomes clear that the surviving teens are being targeted and systematically eliminated. Meanwhile, on the east coast, Maggie’s FBI partner, R.J. Tully, and army colonel Benjamin Platt are at the scene of a deadly outbreak, desperate to identify the pathogen infecting children at a Virginia elementary school. Miles away, these two cases collide, as Maggie, Tully, and Platt uncover secrets that were meant to stay hidden in the remote Midwestern landscape.

**EYE OF THE CHAINED GOD**

The Abyssal Plague Trilogy, Book III

Don Bassingthwaite

In the aftermath of the plague demons' attack on Fallcrest, Roghar's inspiring optimism has played a significant role in the rebuilding of the town. Albanon, meanwhile, has not recovered so well. Tormented by his experiences and his near-transformations first by Vestapalk then by Kri, he has retreated to Moorin's tower, where he immerses himself in books. He is the last member of the Order of Vigilance, touched by both the Voidharrow and Tharizdun—he feels as if he stands on the brink of madness. The Nentir Vale has been ravaged by the abyssal plague and the plague demons. The area is lawless and suspicions run rampant. Only safe as long as they hide, the heroes scout as close as they dare. But with Vestapalk growing ever-stronger and plague demons on the rise, they know they have to act soon. The world cannot afford to wait any longer. As they journey toward the greatest concentration of demons they learn they are on the right path and they gain an ally. Kri, believed dead, resurfaces with wisdom garnered from the Chained God. It seems even Tharizdun himself is against Vestapalk.

TOKYO MEW MEW OMNIBUS 3, VOLUMES 5-7

Reiko Yoshida; Illus. by Mia Ikumi

Ichigo is out on a date with her 'crush' when suddenly she's involved in an odd incident in which her DNA is merged with the DNA of an almost extinct wildcat. When four other girls' DNA is merged with the DNA of four other almost extinct animals, it's apparent that they're part of a much bigger plan. Ichigo and her friends have been chosen to become a part of a secret project called the "Mew Project." Their mission: To protect the planet from aliens who are using animal to attack humans!
