'SALEM'S LOT

Stephen King

"Spine-tingling fiction at its best."
—*Grand Rapids Press*

"If you're looking for an unabashed chiller—and one with substance—this is it!"
—*Austin American Statesman*

When novelist Ben Mears returns to Salem's Lot, the unassuming small town filled with unassuming people, he hopes to find inspiration for his new book in a mysterious mansion that has long been the subject of town lore. What he finds instead is that his hometown is under siege by forces of darkness far beyond his control. Before the likes of *Twilight* and *True Blood*, there was *'Salem's Lot,'* a vampire story guaranteed to make readers' blood run cold.
