In this companion cookbook to her upcoming new series, Lidia lovingly explores her Italian-American heritage and brings us 175 fun, flavorful recipes.

“Food for me was a connecting link to my grandmother, to my childhood, to my past. And what I found out is that for everybody, food is a connector to their roots, to their past in different ways. It gives you security; it gives you a profile of who you are, where you come from.”

— Lidia Matticchio Bastianich
