# LIVING LANGUAGE®

## Arabic, and Japanese!

**A UNIQUE, STANDOUT SYSTEM:**

The eye-catching design of the Living Language courses will grab the attention of consumers looking for a simple, one-stop language learning solution.

**USER-FRIENDLY AND EFFECTIVE:**

The all-in-one course packages make it easy for customers to fit language learning into their lives. The books' design and layout guide the student through the learning process, and audio-only portions of the course can be taken on the go for convenient and additional reinforcement.

**PROVIDES THE TOOLS TO REALLY LEARN A LANGUAGE:**

While other programs focus on word memorization or grammar drills, the new Living Language line helps people master the basics and use their new language off-script, in the real world.

**LEARN IT NOW, REMEMBER IT LATER:**

The programs rely not only on gradual introduction, but also on consistent reinforcement, which aids long-term recall and builds proficiency.

**WE'VE LISTENED TO OUR CUSTOMERS:**

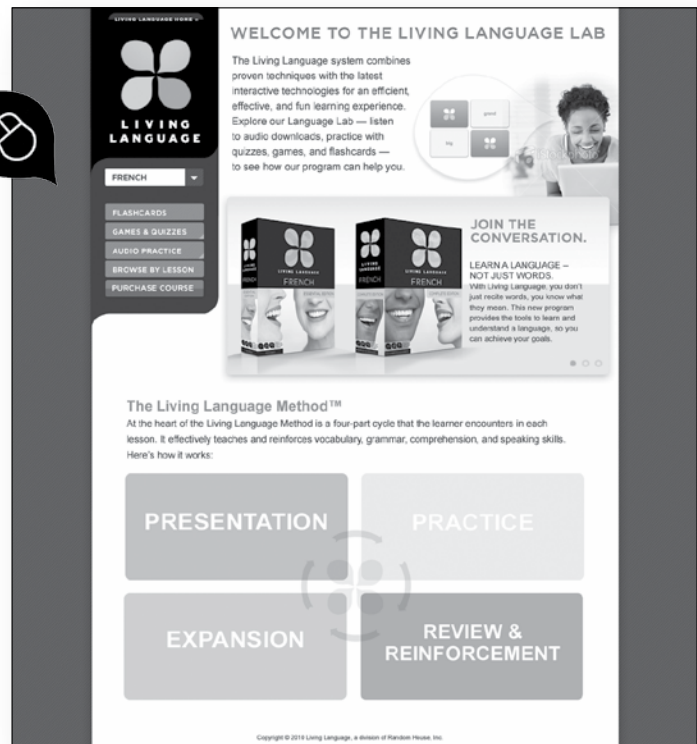

In designing the new Living Language courses, we've added the elements that our customers have asked for: a gradual pace, repetition and practice, games, visuals, and more.

**A TRUE MULTIMEDIA EXPERIENCE:**

In addition to books and CDs, the packages also include stand-alone audio exercises so that customers can practice on the go, as well as supplemental online content—games, puzzles, and flashcards—for a richer, more interactive learning experience.

**MARKETING AND PUBLICITY:**

- Advertising on Fodors.com and in AARP e-newsletter
- Paid search advertising (Google, Yahoo, Bing)
- Outreach to relocation-related services and media
- Outreach to language-specific organizations and blogs
- Facebook and Twitter outreach
- E-mail blast to educators
