DEBRIS

Jo Anderton

After being exposed to radioactive particles as part of a clean-up gang in the depths of space, Tanyana is told she has developed a hitherto-unseen ability to understand the apparently sentient stuff. Powerless, penniless and scarred, Tanyana must adjust to a new life collecting magical garbage—'debris'—but starts to realize debris is more important than anyone could guess...

DARKNESS FALLING

Forever Twilight, Book 1

Peter Crowther

A predawn flash of unearthly light cuts off middle-American everyville Jesman's Bend from communication with the outside world, and almost everyone disappears. When four employees of local radio station KMRT investigate, they find the town mysteriously depopulated, apparently in the middle of regular routines. Familiar folk reappear shortly afterward, all wearing concealing sunglasses and gloves and driven by malignant alien motives revealed when they descend en masse upon the terrified foursome...

SAYONARA, ZETSUBOU-SENSEI, VOLUME 11

Koji Kumeta

Teachers are supposed to inspire the younger generation to follow their dreams and achieve great things. However, our hero, Nozomu is not that teacher. Nozomu's probably the most depressive man in Japan—so depressive, in fact, that every little setback in life inspires yet another suicide attempt! But then why is being in Nozomu's class such a blast? Is it his quirky and endearing students? The bizarre adventures he leads them on? Or is there something after all to "the Power of Negative Thinking"?
