

New Addition to Spring 2012

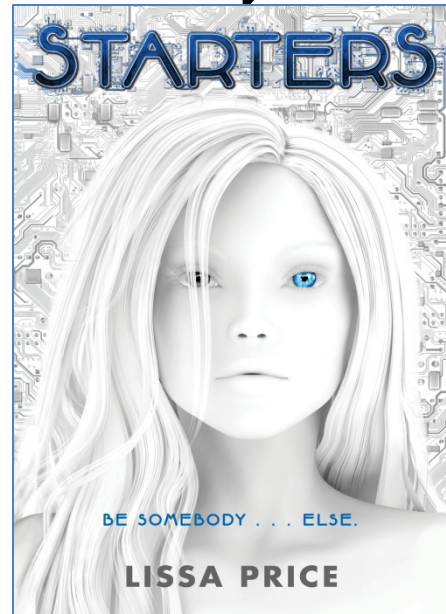

STARTERS

By Lissa Price

On Sale: March 13, 2012

- *Starters* is the first in a high-concept, futuristic thriller, two-book series by newcomer Lissa Price—a tremendous bestselling author in the making.
- Callie lost her parents when the genocide spore wiped out everyone except the very young and very old. Now, Callie and her brother are on the run. Hope comes in the form of the Body Bank, where teens are hired to rent their bodies to seniors—known as enders—to be young again. But Callie's neurochip malfunctions and she wakes up in her rich renter's body; living in her mansion, driving her cars. It's like a fairy-tale. . . until Callie uncovers the Body Bank's horrible plan.
- Like Scott Westerfeld's *Uglies* and Suzanne Collins' *The Hunger Games*, *Starters* is a total thrill ride, a character-driven pulse-pounding novel that will be one of the most talked about books for teens in 2012.
- The beginning of a two-book series: The second book, *Enders*, will publish at the end of 2012.
- Lissa Price is a screenwriter and has delivered an exhilarating read that's enthralling on the page and cinematic in its appeal
